Source: Para 1. AMTUD-1 by letter dated 24 September from friend Melquia from Habana. Para 2. AMFAUNA-13 by SW message 11 dated 9 October, received by WAVE/Techs on 15 October. Legibility of message was somewhat impaired; the footnote stating that the vessels had discharged their cargo as signified by the (D) is confusing since the date of the message is earlier than the last expected date of arrival (19 Oct.)

Accompanying report are attached untranslated shipping documents entitled "Movement of Steamships in the Republic", for dates 5 through 16 August 1962, supplied by AMFAUNA-1, received 18 October 1962.
